

Custom Temperature Indicators +!

Smart Indicators for Special Applications

NEED

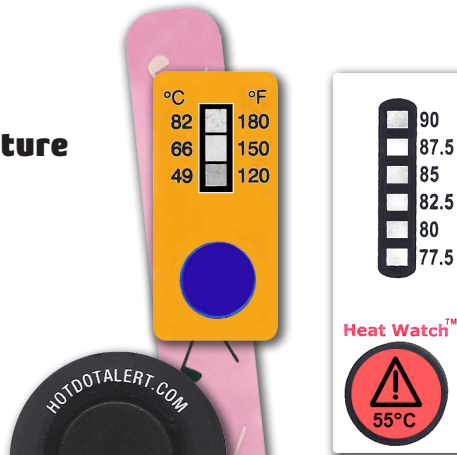

- Constant Temperature Verification
- Proof of Achieved Temperature
- Disinfection & Sterilization Confirmation
- UV Light Alert
- H2O Alarm

SOLUTIONS

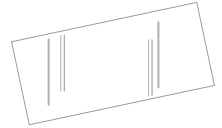

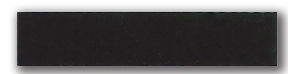

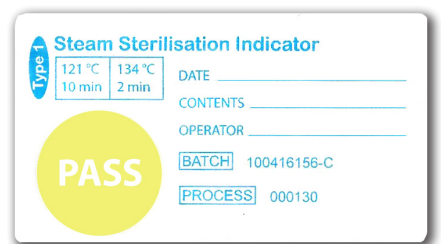

- Labels
- Ink
- Coatings
- Paint
- Chemical Indicators
- Masterbatch
- Graphics
- Combinations

CUSTOMIZED ANSWER

- Finished Label or Graphic Custom, Shape, Size, Temperature Range, Layout and Colors
- Pigments, Dyes, Inks, FF Powder, Masterbatch
- Copy & Branding

THERMOMETERS
